## Guidelines for Exhibitors

### 9. Exhibition Hall and Exhibits Control

The secretariat shall be obliged to ensure the security for inside and outside of the hall, however, the exhibitors are requested to take sufficient measures of their own prevention against any accidents or troubles. The secretariat shall not be liable for the damage caused by burglary, loss, fire and so on. If an accident occur, the exhibitor shall be responsible for the restitution. The exhibitors are recommended to obtain the correct and proper insurance covered against all risks arising from any losses.

### 10. How to get the exhibitor badges

We will give an exhibitor badge to each exhibition staff (attendant) of your company who enters to the exhibition site in exchange for business cards.

[From 8:00 to 10:00 a.m.] on Jun. 11 (Wed) to 13 (Fri), a counter for exhibitors will be installed near the entrance of the hall. Please bring your “two business cards” to the counter.

\*If you arrive at the exhibition hall after 10:00 a.m., we will give you an exhibition badge at the Exhibition Secretariat office.

### 11. Visitor classification (color-coded visitor ID cards)

Red color – Users

Green color – Manufacturers

Yellow color – Dealers

Dark blue color – Public offices, organizations, schools, others

### 12. Visitor Registration

This exhibition is free admission but registration is required. By registering as a visitor, we will send you an invitation e-mail with a QR code.

<https://www.adcom-media.co.jp/isseng/for-visitors/>

### 13. Booth visitor reception system

\* Only Japanese systems are supported.

We offer an optional service with which information of booth visitors can be collected and administered by reading QR codes on visitor cards. This service improves efficiency in complicated processes of information aggregation and list creation during and after the exhibition period and facilitates your follow-up sales activities. By using this service, you can obtain visitors' information with minimum contact so as not to miss your potential customers.

- A barcode reader is not necessary. The system can be used with a smartphone.
- Visit history can be administered. (Information of visitors to your booth can be downloaded as a CSV file.)  
Check-in time and date can be saved, which is useful when checking later.
- Customer information can be obtained by reading QR codes that visitors have.

\* If you need to apply, please apply using attached application form by **May 23 (Fri.)**.

## Guidelines for Exhibitors

### 14. Exhibitors reception

We will held a welcome party for all the exhibitors on **Jun. 11 (Wed.) at 17:30-19:00** on the first day of the exhibition. Participation is free. We hope all the exhibitors will be able to use this opportunity for exchanging information between exhibitors.

### 15. Registration of “Business Content” and “Exhibitor Highlights”

You can post “Business Content” and “Exhibitor Highlights” in the exhibitors list.

\*If you register in Japanese, it will be posted on the Japanese website.

If you register in English, it will be posted on the English website.

If you register in English only, it will be posted on the Japanese and English websites both.

You can revise your registered information as many times as you like until the deadline.

The highlight information will be read by many visitors before the Exhibition to collect information in advance, and also enables you to draw attention of people who cannot visit the Exhibition to your business and exhibits during and after the Exhibition. We would appreciate your registration.

Please upload your information from the “Business Content” and “Exhibitor Highlights” page.

<https://www.adcom-media.co.jp/iss/exhibit/e-reg/>

\* Password: **uS7qUXsP**    \* Deadline: **Jun. 5 (Thu.), 17:00**

### 16. Uploading exhibition booth PR video

We will be able to post your exhibition booth PR video on the exhibition website.

#### 【Video contents】

- Please take 2-3 minutes video during the exhibition period at your booth.
- You are free to compose and or edit the video but the video has to be taken at your booth in exhibition hall.
- If the content of video is matched with the content of “Exhibition Highlights” registered in advance, it will be easier for the viewers to imagine the contents of the exhibition.
- Only one video will be allowed per exhibitor.
- The file size of video should be “100MB or less”.
- Video file format with “mp4” is preferable.
- Please use the “Exhibitor Name” as the file name of the uploaded video.
- Please note that we will not be notified of the completion of the video posting.

Since posted video would make your business PR continuously even after the exhibition period, please provide us your video.

\* Registration start : **Jun. 11 (Wed)**    (Provided video will be posted sequentially as soon as the data is uploaded.)

<https://www.adcom-media.co.jp/iss/exhibit/e-reg/>
